Welcome to the Vision Zero Monthly Newsletter!

Our goal at Vision Zero is simple - to eliminate traffic deaths on our streets by the year 2025.

This month, we ask you to support our allies at Invest In Place in their efforts to create more equitable transportation for all. We envision a Los Angeles transportation system that intentionally connects the travel needs of women and mothers with policymakers' planning, funding, and decisions. We believe that Investing in Place can make that vision a reality.
